

NATIVITY OF OUR LORD SCRIP PROGRAM

Scrip is a term that means "substitute money".

When we purchase scrip, they're purchasing negotiable gift certificates that are used just like cash. The scrip is issued by the national and local retailers where many of your organization families already shop. These merchants want to support non-profit organizations, and in return ask you to support them by shopping with scrip at their stores. You can use scrip to purchase everyday expenses like food, clothing, and other essentials, and with every purchase, and earn tuition credit while shopping...

How Scrip Works

Since August 31, 2006, Nativity of Our Lord has been participating in an exciting gift card program! We purchase the scrip with cash-up front in large amounts. In turn, the participating retailers offer a substantial discount. We then sell the negotiable gift certificates and prepaid cards to you, and you use them just like cash. The substantial discount we receive from the retailers, is then pasted onto you and a percentage of the face value of each gift card ranging from two to fifteen percent is credited to an educational institution of your choose. You may elect your credit to go to the Nativity School, Nativity Prep, Nativity pre-school, any high school, or any college. Every quarter you will receive a statement detailing every purchase and the amount of that purchase that was applied to your tuition.

Retailers like Scrip, too

Families who purchase scrip certificates actively support the retailers who participate in the program. The reason is simple... they know that buying from a scrip participating retailer provides a steady source of revenue for their community.
